REPORT OF THE MANUAL TALLY
General Election
November 8, 2022

1% Manual Tally of Paper Ballots: The 1% manual tally is defined by Election Codes §336.5 as the public process of manually tallying votes in one percent of the vote by mail, polling place, and early vote batches selected at random by the elections official and one batch for each race not included in the randomly selected batches. The 1% manual tally included 162 additional batches completed at 12:00 p.m. on Wednesday, November 23, 2022. This procedure is conducted during the official canvass to verify the accuracy of the automated count. This tally includes paper ballots cast at the polling place and by mail.

On Friday, September 9, 2022, Monterey County Elections emailed to interested parties and published the public observation calendar informing the public of when and where the 1% manual tally was to take place. Additionally, a press release was also published on Friday, September 9, 2022. Both the observation calendar and the press release were available on the Monterey County Elections website. An additional press release and social media post were released in advance of the manual tally. Finally, a notice was placed on the Department's public bulletin board informing observers of the 1% manual tally activities and location.

On Monday, November 14, 2022, at 11:00 a.m., the Elections Department publicly randomly selected the following batches for the 1% manual tally per Elections Code §15360(2):

1% Vote by Mail					1% Polling Places	1% Early Vote
106-304	104-064	108-018	108-007	102-051	201-002	306-001
104-088	101-103	106-083	104-111	106-146		
105-203	104-135	107-032	103-207			
101-045	106-224	106-250	104-089			

Batches were selected using four 10-sided dice where the first die was used to select one of 8 tabulators (1, 2, 3, 4, 5, 6, 7 or 8) and the remaining three were used to select the 3-digit batch sequence number
